Mobile No.: +91-9405939930

## OBJECTIVES

I have over 3 years of experience in procurement and Telecom services so I am looking for a position in a demanding and inventive work environment where I can put my experience and knowledge to good use in order to help the company flourish.

## WORK EXPERIENCE

### **Global Sourcing specialist at SGS Telekom Pvt. Ltd, Pune (Mar-2021 - Present)**

I am currently employed as a global sourcing specialist and In my role, I have to Obtain competitively priced IT items, materials, and services, as well as counselling upper-level staff employees on suppliers.

Maintain the supplier database and seek out alternate suppliers if the current ones fail to satisfy their responsibilities.

Negotiating with suppliers on pricing, quantity, and delivery schedules.

Creating quotation comparisons and assisting in the selection of internal suppliers based on the quotes.

I have work on customer's internet needs and contact the internet service provider according to customer requirements. Managing the internet service's end-to-end delivery (delivery + provisioning)

Oversee and drive back office provisioning of service delivery including onnet feasibility, access networks and customer order provisioning

In addition, I have accounting experience. Managing and raising the invoice to the customer, as well as issuing purchase orders to vendors. Following up on customer for payments and releasing payments to vendors as according agreed-upon terms.

### **Procurement Coordinator at SGS Telekom Pvt. Ltd., Pune (Jan-2018 - Mar-2021)**

I had worked with Finance team and IT Team to identify and initiate ways to reduce costs, improve terms and develop better supplier relationships

Plans, organizes and directs all operations with respect to installation support, network service and major moves

Supervising the development and execution of the procurement plan/ Order

Maintaining communication with existing suppliers to ensure support.

Worked closely with regional teams and clients on local, regional and sometimes global project activities

Develop and implements inventory control procedures

## SKILLS
